

What's the process in getting approved for the state of Idaho?

1. Find your closest workforce location in your area by visiting the following link: [Workforce Innovation & Opportunity Act](#)
2. Click on the [American Job Centers](#) link located under the **Workforce Innovation & Opportunity Act** section

Workforce Innovation & Opportunity Act

The Workforce Innovation and Opportunity Act (WIOA) is a federally funded program that establishes the Workforce Development System and provides funding to support training and employment services for adults, dislocated workers, and low-income, out-of-school youth.

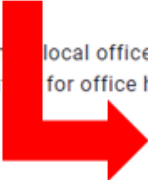

The Workforce Development System is made up of the Idaho Workforce Development Council, a single statewide planning region, and numerous state and local employment and training organizations that work in partnership to bring services to Idaho students, job seekers, and employers.

Customers can access the full range of WIOA services through the [American Job Centers](#) located in each of the six geographic regions of the state.

3. Select the Workforce office in your region (closest to your residence)
