Professional Medical Coding Curriculum — Recommended 16-Week Course Schedule

Flexible course schedules — the course is available 24/7. Personalize your study days to fit your busy lifestyle: **this recommended schedule keeps you at the required 12–15 hours per week and a minimum pace of one chapter per week.** One-on-one instructor support is available Monday–Friday, 8:00 a.m.–5:00 p.m. PST via **Google Chat** (janine@codingclarified.org).

Reminder: submit your Weekly Attendance Tracker every week by Sunday, 11:59 p.m. local time — along with that week's chapter quiz, practical applications, and chapter exam (80% or higher).
