Indiana WIOA Grant Funding Directions

Step by Step Instructions for Indiana Candidates

The Workforce Innovation and Opportunity Act (WIOA) provides grant funding that may cover the full cost of your medical coding training. Follow the steps below in order. Read each step carefully before moving to the next.

Part 1: Apply for WIOA Grant Funding

1. Find your closest WorkOne office: [WorkOne Locations](#)
2. Use the site navigation to locate your county and contact your local WorkOne office.
3. Request an eligibility screening for a **WIOA Grant or Workforce Ready Grant (WRG)** for training through Coding Clarified for medical coding.

NOTE: Indiana offers several types of grants. Please ensure you exhaust all funding options available to you: the Workforce Innovation and Opportunity Act (WIOA) Grant through your local WorkOne office, and the Workforce Ready Grant (WRG). To apply for WRG, visit [Next Level Jobs](#), then contact WorkOne once you have applied.

IMPORTANT: Write down your assigned caseworker's full name and email address. You will need this information for the next step. If you do not have a caseworker yet, that is okay. Complete the form without the caseworker information and we will update it at a later date by sending you a Proposal Update form.

4. **Complete the Proposal & Acceptance form** in its entirety at the link below. This form generates the Proposal & Acceptance Letter that must be submitted to your caseworker:

NOTE: Your program start date must be at least two weeks from today's date. Do not submit the form with missing information. Incomplete forms prolong the process and require you to resubmit a new completed form.

5. **Provide your caseworker with CIP Code 51.0713 upon request.**

CIP reference (for informational purposes): [National Center for Education Statistics](#)

Title: Medical Insurance Coding Specialist/Coder

Part 2: Locate Coding Clarified

Use these steps to verify that Coding Clarified is an approved training provider for your state. Your caseworker may also use these steps.

1. **Go to INTraining:** [INTraining Program Search](#)
2. Type **Coding Clarified** in the **Program Name** search box.
3. Click the listing to view full program information and eligibility details.
