

CODING CLARIFIED

Michigan Achievement Skills Scholarship Directions

Step by Step Instructions for Michigan Candidates

The Michigan Achievement Skills Scholarship provides funding that may cover the cost of your medical coding training. Coding Clarified is listed as an eligible Career Training Program. You must choose your Career Training program before completing the scholarship application, because selecting a Career Training provider is a required step in the application process. Follow the steps below in order. Read each step carefully before moving to the next.

Part 1: Locate Coding Clarified on Michigan Training Connect

1. Go to the Michigan Training Connect (MiTC) Training Search: [Michigan Training Connect](#)
2. In the Enter School Name, Occupation Title or Program Keywords box, type **Coding Clarified**.
3. Select **Coding Clarified** from the drop down menu that appears. Selecting from the drop down menu displays exact matched results.
4. Click our listing to review the program details. This is the Career Training program you will select in your scholarship application.

Part 2: Apply for the Scholarship

1. Create a MiSSG Student Portal account if you do not already have one: [Create a MiSSG Student Portal Account](#)
2. Log in to the MiSSG Student Portal: [MiSSG Student Portal](#)
3. Complete the **Michigan Achievement Skills Scholarship application**. When prompted, select **Coding Clarified** as your Career Training provider.
4. For program information, eligibility requirements, and frequently asked questions, visit [Michigan.gov/Achievement](#). For questions about the scholarship, contact [MiLEAP-MASS@michigan.gov](#) or call 888-447-2687.
5. Complete the Proposal & Acceptance form in its entirety at the link below so we can coordinate your enrollment:
