Minnesota WIOA Grant Funding Directions

Step by Step Instructions for Minnesota Candidates

Minnesota has a reciprocal recognition policy that allows Minnesota residents to use WIOA funding for out-of-state training programs. Because Coding Clarified is an approved training provider on the Wisconsin ETPL, Minnesota residents can be approved to use WIOA funding for our program if they meet standard eligibility requirements. Follow the steps below in order. Read each step carefully before moving to the next.

Part 1: Apply for WIOA Grant Funding

1. Find your local CareerForce Center: [CareerForce Locations](#)
2. Contact your local CareerForce Center and complete your **WIOA eligibility screening**. Ask for an eligibility assessment for the **Adult** or **Dislocated Worker** program under WIOA.
3. When meeting with your caseworker, mention that **Coding Clarified is an approved Wisconsin ETPL provider** and is eligible under Minnesota's reciprocity policy. Provide this policy link if they have questions: [Minnesota ETPL Reciprocity Policy](#)
4. Contact your closest workforce office and request an **eligibility screening for a WIOA Training Grant**.

IMPORTANT: Write down your assigned caseworker's full name and email address. You will need this information for the next step. If you do not have a caseworker yet, that is okay. Complete the form without the caseworker information and we will update it at a later date by sending you a Proposal Update form.

5. Complete the **Proposal & Acceptance form** in its entirety at the link below. This form generates the Proposal & Acceptance Letter that must be submitted to your caseworker:

NOTE: Your program start date must be at least two weeks from today's date. Do not submit the form with missing information. Incomplete forms prolong the process and require you to resubmit a new completed form.

6. Provide your caseworker with CIP Code 51.0713 upon request.
