Step by Step Instructions for Nevada Candidates

Nevada recognizes Coding Clarified as an approved training provider through a reciprocal agreement with the state of Arizona. Follow the steps below in order. Read each step carefully before moving to the next.

Part 1: Apply for WIOA Grant Funding

1. **Go to Nevada Works:** <https://nevadaworks.com>
2. Scroll down the page a little to the list of counties. Each county has its own drop down.
3. Click the drop down for **your county** to display the workforce location and contact information closest to your residence.
4. **Contact your closest workforce office** and request an **eligibility screening for a WIOA Training Grant**.

IMPORTANT: Write down your assigned caseworker's full name and email address. You will need this information for the next step. If you do not have a caseworker yet, that is okay. Complete the form without the caseworker information and we will update it at a later date by sending you a Proposal Update form.

5. **Complete the Proposal & Acceptance form** in its entirety at the link below. This form generates the Proposal & Acceptance Letter that must be submitted to your caseworker:
